Estate iron 1.5" rod sets include two finials, forged brackets & mounting hardware. Rod sets over 94" are subject to splicing, see rod sizing page for details

All rods are cut to size to the nearest 1/8" and will be manufactured to the precise width that is ordered.

For **Corner** or **Bay** Window sets, above pricing is per side;

Corner Windows are defined as having two sides; **Bay** Windows are defined as having three or more sides.

No finials on inside mount rod sets. Factory will automatically deduct 1/4" from length given on order to account for width of brackets.

Double rod sets feature end cap finials on a smaller diameter 1" back rod.

Number of brackets included in set		2	2	3	3	3	5	5

All rods are cut to size to the nearest 1/8" and will be manufactured to the precise width that is ordered.

Sedona rod sets include two finials, brackets & mounting hardware.

All Single Traverse Rod sets include aluminum traverse track embedded in wood pole, with master carrier, drapery carriers, end stops and baton(s).

For one-way Traverse draw, indicate "R" on the order form for right draw or "L" for left draw.

*** Standard rods wider than 94" will be made using two equal length segments joined using a rod connector in the center unless otherwise requested.**

Traverse rods wider than 94" are available in one segment upon request and must be shipped via LTL truck - additional freight charges apply.

Double rod sets feature end cap finials on back rod.
